Mr. Welch, again thanks again for the invitation. My policy decisions for the city of Odessa are simply based on what's best for Odessa, which is why I was elected to represent District #2.

Dear Mr. Thompson,

That section is simply an option to share that information if the candidate wishes to in addition to the questions about the policy positions. I hope you will complete the rest of the survey as we sincerely desire to include you in the voter guide we will be distributing to thousands of church voters.

Sincerely,
Rev. Dave Welch, TXPC
